

KUBUS 200 BOLLARD LIGHT

PRODUCT INFORMATION

December 2013 version. Technical changes reserved.

APPLICATION

The Kubus 200 is a bollard luminaire for exterior lighting.

PRODUCT DESCRIPTION

Special version of Kubus 200 with different height designed to be used as bollard or pathway luminaire. The restrained, factual design language allows the high-quality materials to stand out combined with impressive reflections in the glasses. Custom-made solutions with differing heights can easily be manufactured. Object-specific versions in different sizes are available. The luminaire is equipped with an E27 socket to be operated with efficient compact fluorescent or LED lamps.
