

# KUBUS 450

## PRODUCT INFORMATION

December 2013 version. Technical changes reserved.

### APPLICATION

The pad luminaire Kubus is designed to illuminate exterior pathways, as a light object or street furniture in the public realm.

### PRODUCT DESCRIPTION

The luminaire features premium mineral glasses alternating with stone or metal. The horizontal glass elements show an internal appearance of reflections, especially during daytime, which gives an almost transparent impression of the luminaire.

Custom-made sizes available on request.

### MATERIAL

Standard version: non-corrosive aluminium

Finish: micro blasted or powder-coated pursuant to RAL or DB specifications

Other materials

Natural stone: e.g. granite, sandstone

Artificial stone, concrete

Type red sandstone

Type granite
